Yule Mail Heaviest Ever at Antioch P.O.

Mail during this Christmas holiday season reached an all-time high at Antioch postoffice Monday when the postal employees cancelled a total of 21,200 letters. The biggest day ever totaled heretofore was about 17,000 in 1947.

The peak mailing period was reached on Monday with about 12,000 cancellations on last Thursday, December 16, 16,000 on Friday and Saturday, 3000 on Sunday and the record-making total on Monday. In all, the local postoffice has cancelled more than 125,000 stamps since December 3.

Postmaster Kufalk revealed that he had anticipated a great demand for stamps in the 1/2c denomination, and had laid in a supply of 80,000. This proved to be too small a quantity in the face of the widespread use of these stamps, and more had to be ordered.

Parcel Post Heavy

About 110 sacks of parcel post mail was received here on last Wednesday and Thursday, which were also the peak days for this type of mail. The total has since tapered off to about 60 to 70 sacks per day. All large receivers of parcel post material were taken care of at space rented in the Antioch Garage showroom for the purpose, and the rural mail was sorted there also. Each rural carrier had a helper to help sort the mail for rural delivery.

Wm. Walker to Head Lake Villa Community Club

William Walker was elected president of the Lake Villa Community Men's club at the annual meeting and election of officers held Tuesday, December 14, at the Lake Villa Grade school gymnasium.

Other officers elected were Wm. M. Marks, vice president; Jere Hagen, 2nd vice president; Chas. W. Von Oeyen, secretary; Ken Hart, treasurer, and Clayton Hamlin, Sgt. at arms. The latter three are re-elected.

New directors for the coming year are John Henning, Ben Cribb, Carl Geng and the Rev. Theodore L. Rodd. Directors with terms as yet unexpired are Wm. Weber, Paul Williamson, Earl Caldwell, Harry Pavel, Fred Nielsen, Lester Hamlin, Neil Riedel and Harry Weber.

Walker promised a continuance of the fine work which has been accomplished in the community during past years and said that special attention would be given the club's program in youth work, which has been the main work of the club since its organization several years ago.

Phil Stahl, Former Antioch Resident, Is On Guam In Air Corps

Phil (Bud) Stahl, formerly a resident of Antioch, and well-known here through activity with the local Legion post, and the operation of a letter-service here, is now with the Public Information office, 514th Weather Reconnaissance Squadron on Guam.

Bud is engaged in the sending of informative stories, concerning his buddies in the newspaper and radio stations in the various localities where they come from, and this week sent the News a story concerning Archie D. Burns, a Salem boy who also is stationed on Guam. The story appears in another part of the paper.

Stahl will be home sometime in February, according to his letter, and will be glad to see the old town.

Erich Faust, Lake Villa, Completes His Basic Training

Fort Sill, Okla. Nov. 4—Recruit Erich Faust, son of Mr. and Mrs. Eric Faust, Lake Villa, completed basic training at the Nations Artillery Center today and has been assigned to the 37th Regimental Combat Team, now stationed here.

Recruit Faust will report to his new organization when he returns from a 10 day furlough, which he is spending with his family in Lake Villa.

While undergoing training he was a member of Fort Sill's Training Battalion, composed entirely of 18 year olds who joined up under the Army's voluntary one year enlistment program. Instruction in the Training Battalion was conducted under the system perfected by UMT Experiments.

Robbers Take \$1,500 Television Sets from Lakeland Radio Shop

Thieves who broke into the Lakeland Radio shop, Round Lake, Ill., on last Wednesday, are well able to enjoy video programs since they took five television sets valued at \$1500.

Steve Vrhika and Russell Sherwood, owners of the shop, reported the robbery to the Lake County sheriff's office on Thursday morning, and deputy sheriff Norris Froelich, who reported at the scene, discovered that they had gained entry by jimmying a window at the rear of the building.

YOUR INCOME TAX

by

John T. Jarecki, Collector of Internal Revenue for the First District of Illinois

Article No. 1

This is the first of a series of articles by John T. Jarecki, Collector of Internal Revenue for the First Collection District of Illinois, summarizing the most important facts pertaining to your Federal income tax return reporting your 1948 income. This article explains who must file a Federal income tax return, why and when it must be filed, and how it should be paid.

Filing Requirements

If you are a citizen or resident of the U. S., whether single or married, having a gross income of \$600, or more for 1948 you must file a Federal income tax return.

Most of your tax is withheld from your wages each payday or paid on your Declaration of Estimated Tax each quarter. However, the law requires you to file an annual return to determine whether you owe more or should get a refund.

Even though your earnings were less than \$600.00 you should file a return because you may be entitled to a refund. No refund will be made unless a return is filed.

Returns for the calendar year 1948 must be filed between January 1 and March 15, 1949. Try to avoid the last minute rush. File as soon as possible.

All returns should be filed at the Office of the Collector of Internal Revenue in your district. Do not mail your return to Washington.

Any balance of tax shown to be due on your return 1948 must be paid in full with your return. You may pay in cash, or by check or money order. Checks or money orders should be made payable to "Collector of Internal Revenue."

Do not send currency by mail and do not send one check to cover payments on several different returns.

Be sure your return is properly signed. If it is a joint return be sure both husband and wife have signed.

Blank returns have been mailed to each taxpayer. But if you need additional forms you can get them at the office of any U. S. Collector of Internal Revenue.

Health Chief Sees Signs of Severe Polio Year Ahead

There are signs that polio will strike severely in this area in 1949. Analyzing the incidence of the disease in 1948, Dr. Edward A. Piszczek, Cook County Health Director, told workers in the March of Dimes campaign set for January 14 to 31, that there were more severe bulbar cases in the city and county in the closing weeks of 1948 than for any period during the year.

"When bulbar occurs late it is a sign of a severe year ahead," he stated.

He also pointed out that the incidence among persons over 16 has shot up.

"The late rush of cases transformed the season from a relatively mild one to a severe one," said the health director.

The Cook County Chapter of the National Foundation for Infantile Paralysis is equipped to meet any possible emergency, according to Albert A. Morey, general chairman of the March of Dimes campaign.

He reported that the Chapter has 43 respirators at its disposal, and 22 hospitals with 300 beds available for polio patients. It also offers the services of 38 orthopedic doctors who are top specialists, diplomates of the American Bureau of Orthopedic Surgeons.

Volunteer workers are now being organized in neighborhoods of the city and suburbs in the county to carry the March of Dimes into every home in the area, Mr. Morey announced.

Locals Best Wauconda; Lose to Palatine Wed.

The fighting Sequoits of Antioch High school split the two games played this week, losing to Palatine there on Wednesday evening and winning last Friday's game played here against Wauconda.

In Friday's game the locals came through on the long end of a 45 to 42 score, with the team functioning in good shape. The lights also won, beating Wauconda Freshmen-Sophomore team 49 to 36.

On Wednesday at Palatine the play of the varsity was characterized as "miserable" and that of the lights as good. The lights were again winners, beating Palatine 28 to 22. In the varsity game Tom Poulos, spark plug of the team, playing at forward, was out of the game with a back injury after a few minutes of play, and a second regular, Buchta, fouled out early in the game. These two mishaps were partly responsible for the defeat.

The team is still batting 50%, however, having split the games between the winning and losing column.

To Play in Tourney

The Sequoits will again meet Wauconda in an invitational tourney to be held next Tuesday and Wednesday at the Wauconda gym. Two games will be played on Tuesday with Northbrook meeting Grayslake at 7:30 in the first game.

On Wednesday evening the winners of the games played Tuesday will meet, and a difference of opinion exists in that some believe that Antioch will meet Grayslake on Wednesday and some think Northbrook will be the opponent. A consolation game will be played at 7:30 with the leaders of Tuesday's games matched.

Mike Rose and Al Grosche, of Waukegan, have been secured as officials for the tournament.

Dance Wednesday Ends High School Activity for '48

A dance last night for the upperclassmen and alumni of the Antioch Township high school, wound up activity for the calendar year at the school.

Art Smejkal and his Jive Five furnished the music, and the dances were really "sent," according to persons who attended.

School will be resumed on Monday, January 3, 1949.

Mrs. Mary Krisan Funeral Services Held Wednesday

Funeral services for Mrs. Mary Krisan, of Sand Lake, Lake Villa, were held Wednesday in the chapel at 6507 W. Cermak Road, Cicero. Burial was in Bohemian National cemetery.

Survivors include her husband, Anthony, two daughters, Mrs. Grace Horan and Mrs. Lillian Humaki, and two sons, Anthony, Jr. and George.

Seal Sales Total \$25,938 For First Three Weeks Sale

Receipts from the purchase of Christmas Seals totaled \$25,938.91 as the 1948 Seal Sale ended its third week, Mrs. Mabel McCullough Seal Sale chairman for the Lake County Tuberculosis Association announced last Friday. While returns thus far are encouraging, she urged all those who have not done so to acknowledge their Seals so that the quota of \$42,000.00, the minimum needed to carry on the association's 1949 program might be reached.

"The letters of acknowledgement for the Seals which arrive daily reveal an encouraging knowledge of the work of the association and many urge that its services be continued," Mrs. McCullough added. "We realize that every one in Lake County is very busy with last minute Christmas shopping, and it is quite possible to overlook the Seal Sale letter, but the work of the tuberculosis association depends on your answer to your Christmas Seal letter."

Mrs. Mable Cardiff, Mother of Local Man, Passes Away Today

Mrs. Mabel Cardiff, 68, mother of Harold E. Cardiff of Antioch, died early this morning at the home of a daughter in Decatur, Illinois, where she had lived for the past few months.

She had visited with the Cardiff's here for several weeks, going to the home of her daughter in Decatur, after the Thanksgiving holiday.

Funeral services will be held in Hoopston, Illinois, where she had made her home for many years. Her death was a result of a stroke, the second which she had suffered, the first having occurred several years ago.

Archie D. Burns Sale, Is Now On Guam, In Air Corps

Private First Class Archie D. Burns, son of Mr. and Mrs. Roy Burns of Salem, Wis., has been awarded the military occupation specialty of an RB-29 Superfortress Airplane Mechanic recently on completion of a course of instruction in an on-the-job training program. He is a member of the 514th Weather Reconnaissance Squadron (Very Long Range) stationed on the island of Guam.

In this course he received his training, while actually working on the airplanes used by this squadron and soon learned the importance of this work as reflected directly in the efficient operation of these airplanes. As these airplanes are called upon to fly over long stretches of open water as well as through and around typhoons, this work is doubly important in order to insure the safety of the flight crews and enable them to carry out their part of the squadron mission.

PFC Burns, in following this trade, is preparing himself for a career that will serve him well either in the Air Force or in civilian life.

Village Agrees to Furnish Water to Two Subdivisions

Smart's Ridgemoor Manor And Antioch Hills Will Get Service

Although details are not completely worked out, the petition of interested parties in the new Smart's Ridgemoor Manor subdivision development, west of Antioch and the Antioch Hills subdivision, south of the village limits, was acted on in approval at a meeting of the village board on Monday evening.

According to present plans the village will allow extension of the village mains into both subdivisions, the owners taking care of all expense connected with installation. A master meter will be installed at the village limits, and one bill will be rendered to each of the subdivisions, the organizations, themselves being responsible for individual charges. The village will have no expense in connection with maintenance of the mains outside the city limits.

When, and if, the subdivisions are included in the village by extension of the village limits, an eventuality which is also very likely, the set-up will be changed to conform with regular procedure. No other business was conducted at the meeting.

A minimum charge per home served, has been tentatively set at \$3.00. This means that the subdivisions will pay a pre-set water rate, or a minimum of \$3.00 per home served, whichever is higher.

E BOND SALES UP FOR MONTH

November E Bond sales in Illinois showed an upward trend and were nearly 12% higher than a year ago, Arnold J. Rau, State Director of the Treasury's U. S. Savings Bonds Division reported.

Total sales in the state for the month were \$37,664,025, which included \$1,940,021 Series E, \$8,597,900 Series G, and \$27,146,104 Series E. Annual sales are running well ahead of 1947, and it is expected that Illinois will this year mark up a new record for the peacetime program.

Dr. and Mrs. Biron Saddened By Death of Mother

Dr. and Mrs. W. A. Biron's holidays are saddened by the death of Mrs. Biron's mother, Mrs. Della Chambers, age 59 at Mercy hospital, Chicago, Wednesday evening, Dec. 15.

Surviving are her husband Michael, daughter, Eileen, two sons, John and Thomas, and sisters, Mrs. Patrick Moran and Mrs. James Cosgrove.

Requiem High mass was offered at St. Peter Canisius' Catholic church and interment was in Mount Carmel cemetery.

Fine Entertainment Provided by School Music Dept. Monday

Christmas Concert Very Well Received This Year

The Antioch high school music department did its part to put the community into a holiday mood this week with a well-planned, expertly performed concert on Monday evening at the school auditorium.

A more-than-capacity crowd heard the many vocal and instrumental selections, and the interest and enjoyment shown by listeners has made those in charge consider a performance on two nights to lessen the crowded condition in future years. It has been the practice in the past of holding the class plays for two nights, and it seems likely that the same thing will be necessary in the case of the concert.

Wire recordings were made by the high school of the various solo performers and the recordings have been presented to the performers as Christmas gifts.

Many congratulations were extended to Hans Von Holwede, director of music at the school and to the performers.

Motor Club Warns Of Danger on the Holiday Highways

The festive celebration of New Year's Day will be marred by 20 fatalities and 700 serious injuries in traffic accidents on Illinois streets and highways during the three-day holiday, Charles M. Hayes, president of the Chicago Motor Club, predicts.

Past accident experience has proven that this holiday is one of the most dangerous periods in the entire year, Mr. Hayes continued. Despite relatively lighter traffic volume during the winter season, fatalities and injuries caused by automobile accidents rise considerably.

However, bad weather during this period could halve the traffic not only by curtailing motor travel but also by forcing motorists and pedestrians to cautious use of streets and highways.

Illinois traffic fatalities and serious injuries December 24th and Christmas Day have exceeded those December 31st and New Year's Day during the past decade with the exception of 1945 and 1938.

Richmond Publisher Is Much Improved Is Word

A. L. Johnson, publisher of the Richmond Gazette and several other papers in McHenry county, is reported to be recovering from an attack of illness which has resulted in his being hospitalized for the past few weeks. He is at the Sherman hospital in Elgin.

Although he is much improved, he has not yet been released from the hospital. During his absence, employees at the plant in Richmond are carrying on in good shape.

Mrs. Badger Chosen President of O. E. S. Officers Club

Fourteen members were present at the first meeting of the Antioch Chapter Order Eastern Star officers club held Friday evening at the home of Mrs. Homer B. Gaston, 634 N. Main street.

The program for the ensuing year was discussed, and election of officers was held. Mrs. Luster Badger was chosen as president. Other officers selected were Mrs. Gaston, vice president and Edith Elms, secretary and treasurer. A buffet lunch was served by the hostesses.

Beer Distributors Send Santa To Visit Hospitalized Kiddies

Every hospital in Lake and McHenry counties was visited, and all children in them were given treats, through the efforts of the Wholesale Beer Distributors Assn., according to Jimmy Lennon, who took the part of Old St. Nick.

This is a part of the children's welfare work of the organization, and the committee was headed by Lennon, and included John Herd, Robert McDermott, Jerry Nugent, J. T. Farmer, and Fred W. Loebe.

Good Farm Management

Some first-class advice for the American farmer recently came from Dean William Myers, of the New York State College of Agriculture at Cornell, when he said: "It seems today that good farm management... calls for farm people to continue to build financial reserves in United States Savings Bonds rather than to enlarge their farm businesses beyond the size needed for efficient operation. The possibility of speculative profit from buying farm land or livestock when prices and incomes are high is seldom worth the worry and risk of losing everything if a drastic drop in farm incomes should follow."

The situation that followed World War I is in point. Prices and land values were high then, as now. In instance after instance farmers mortgaged their property in order to buy more. A disastrous break in the prices paid for farm produce came along—and a tragic number of farmers lost not only their new holdings, but their old places as well.

Everyone hopes that this will not be repeated. At the same time, it is only the part of wisdom for farmers to place a substantial part of surplus income in liquid assets—assets which can be immediately turned into cash if the need arises. Here is where U. S. Savings Bonds perfectly fill the bill. They are the safest possible investment. Depending on the type purchased, they either appreciate in value as time goes on or pay a good rate of interest. They are as liquid as cash in the bank. And, last but not least, they give the farmer and everyone the opportunity to own a financial share in his government.

Here To Stay

The number of small businesses in the country today per thousand of population is as large as at any time in our history. The authority for this is A. D. H. Kaplan, an economist who has written a report called "Small Business: Its Place and Problems."

What gives a report of this kind unusual interest is the fact that some years ago there was a widespread fear that small business was doomed because of an inability to compete with large business. This fear made itself felt in various ways. One of them was an attempt to levy heavy, punitive class taxes against the chain retail system. It was argued that this had to be done in order to keep the independent merchant from extinction. Yet, as everyone knows, the independent has successfully competed with the chains, and does the largest part by far of all the retail trade in the country.

In his report, Mr. Kaplan says that "the small business man will strengthen himself by learning how best to compete for, not how to restrict, markets." That is the best possible advice. To again use retailing as an example, the largest stores now in business were small stores once. Many of them were single-man or single-family operations. Their owners learned how to compete for business and how to make their stores attractive to consumers. Success followed. Small business in the United States has always been distinguished by vitality and a progressive spirit. It is holding its own in the competitive scheme of things, and it is here to stay.

Which Do You Want?

What is the life of the doctor like under state dominated medicine—and what kind of service can the patient expect?

An interesting sidelight on that was carried by one of the wire services early in October. A doctor in Morley, England, announced his intention to quit his profession and take up farming. His reason was that the government's national health service has "ruined, degraded, and debauched a once honorable profession." His wife, who expressed agreement with this, added, "Doctors live in constant fear of missing a really serious case among the crowds who flocked to the surgeries under the new scheme."

Thousands of British physicians, judging by a poll which was taken some time ago by the British Medical Association, hold similar views. England's national health service—which is directly comparable in many ways to the schemes for compulsory health insurance which are being aggressively pressed in this country—has made the doctor the servant of the politician. It has made it necessary and obligatory for doctors to attempt to take care of so large a panel of patients that it is next to impossible to make accurate diagnoses in difficult cases, or to provide truly adequate care for those who are seriously ill. Armies of people who are not ill take up doctors' time—on the theory that they have health service coming for nothing, and so might as well take advantage of it whether they need it or not.

Contrast this with the American system—where the doctor is free of politics, and where voluntary, low-cost health insurance has gone a remarkably long way in solving the problem of how to pay for medical attention. Then decide which you prefer.

ing when they elected officers for 1949 as follows: Oracle, Cecille Blumenschein; Vice Oracle, Elizabeth Anzinger; Past Oracle, Mary Davis; Chancellor, Lottie Barnstable; Marshal, Marie Hamlin; Recorder, Helen Fish; Receiver, Cora Hamlin; Inner and Outer Sentinels, Vivien Adamson and Lela Barnstable; Manager to fill unexpired term of one year, Matilda Bartlett; Manager for three years, Anna Fink. Other officers are to be appointed. The installation of officers will take place early in January.

Mr. and Mrs. Charles Martin spent Sunday with Mrs. Martin's sister, Mrs. Mabel Holmgren in Libertyville when the brothers and sisters, with wives and husbands met for their annual turkey dinner and visit.

Norman Schumacher of Atlanta, Ga., spent a short time last week with his sister-in-law, Mrs. Ruth Schumacher at her home.

Pupils of Lake Villa grade school are enjoying their holiday vacation which began Wednesday when school closed. They will resume their studies on Jan. 3.

The Lake Villa Community Men's

club sponsored the annual Christmas party for the children of the township at the school gymnasium on Wednesday evening with Santa Claus present to help with the festivities.

Lake Villa Halcyon Club
 The Halcyon group held their annual Christmas pot luck supper at the parsonage Dec. 16, with twenty-three members and one guest present.

The group voted to buy material for robes for the Junior choir and to give \$100 to the church general fund the first of January.

After the meeting gifts were exchanged and games played. Hostesses for the evening were Zelma Nickerson, Beatrice Cribb, Ada Barnstable and Norma Rodd.

Cake and cookies were served by the group following the church Christmas party Sunday night.

 MERRY CHRISTMAS TO ALL!

How to Iron Linens
 Linens should be ironed on the wrong side to prevent shine. If a high gloss is desired on damask cloths, iron first on the wrong side, then on the right. Linens should not be starched as they have a tendency to remain firm and crisp, but a very light starching is advisable for cotton or rayon damask cloths.

There will be a Christmas service at the church on Christmas morning from 9 to 9:30 which is early enough not to interfere with the preparation of the Christmas dinner. All are welcome.

Instead of the regular sermon at the Community church next Sunday, the Rev. Rodd will use the story, "The Well of the Star," at the worship service at 11 a. m. A nursery is maintained at the church basement for young children whose parents attend the services.

The small daughter of Mr. and Mrs. Bob Madsen, Gayle Susan, was baptized at the morning service of the Community church last Sunday. Mr. and Mrs. Carl Nader were the godparents.

Mrs. Ruth Schumacher and her mother, Mrs. Church, were hostesses at a luncheon at their home last Thursday for the ladies of the Sewing club. Mrs. Eugene Sheehan and Janet of Antioch were guests. Following the luncheon there was an exchange of Christmas gifts.

Mr. and Mrs. Walter Paske left recently with their trailer to spend the next few months in Florida.

Mr. and Mrs. Ed Tiede returned last week from a pleasant month of vacation in Florida.

The church school presented a splendid program at the church last Sunday evening to a full house. Following the program Santa Claus appeared and distributed his sacks of candy, oranges and apples to all the children. William Marks of Chesney Farms had donated a beautiful tree which was very gay with Frostee Sno decorations and lights from the Frostee Sno company of Antioch. The members of the Halcyon club did the decorating which added much to the appearance. The

Don Summers pharmacy, the Williamson grocery, and the Dalgard IGA store furnished candy, apples and oranges which the children enjoyed very much. Following the program the Halcyon club served cake, cookies and coffee downstairs, thus ending a very pleasant evening.

Mrs. Lottie Barnstable entertained the Pinochle club at her home on Tuesday afternoon with pot luck dinner at 12:30, followed by games of pinochle.

The Royal Neighbors of Cedar Lake Camp met at the village hall last Tuesday evening for pot luck supper at 6:30, followed by a meet-

Nelson Drom Elected Rebekah Staff Captain

Nelson Drom was elected staff captain at a meeting of the Rebekah Lodge Wednesday evening. Other members of the staff are: Tillie Miller, Ida Osmond, Eileen Swenson and Jesse Runyard. Mrs. Lillian Hand will serve as Deputy for the coming year.

Installation of a new corps of officers will be held Wednesday evening, January 5. Mrs. Mary Ellis will be installed as Noble Grand. Mrs. Katherine Dibble is the retiring Noble Grand. Following the meeting a Christmas party was held, with an exchange of gifts and a buffet lunch served by Mrs. Thomas Burnette assisted by Mrs. Olive Tweed.

PAGEANT OF HOLY GRAIL AT METHODIST CHURCH SUNDAY

Considered to be one of the most beautiful Christmas pageants ever produced, "The Pageant of the Holy Grail" will be presented by the Methodist Church school on Sunday afternoon at 4 o'clock in the Church sanctuary. The Pageant has its setting in King Arthur's Court at Camelot in Britain at the time when Knighthood was in flower.

In the pageant, the King has a dream in which he sees a vision of the Christ child in Bethlehem to which the shepherds brought their gifts. The King then desires to find the perfect gift for the Christ-child, and he sends his Knights on the quest. But only one Knight is worthy to bring the perfect gift, and that one is the Perfect Knight, the "pure in heart."

The pageant is under the direction of Mrs. Bernard Guillaume. The Church school choir, directed by Mrs. Luster Badger will participate in the service. Mrs. William Dow will be at the organ and Mr. Bernard Guillaume will be the reader. Youngsters and members of the church school attending the pageant are asked to bring their gifts to the Manger, which should be food for overseas relief.

The members of the cast include the following: Mary, Ruth Birkhead; Joseph, Vernon Burdick; Angels, Anna Andersen, Carol Hansen, Carol Frazier, Lyn Grey; Shepherds, Edward Frazier and Fred Clarke; Wise Men, Bob Cain, Andy Anderson, Donald Cardiff; King Arthur, Lauris Burdick; The Knights include, David Petty, Jimmie Quedenfeld, Kenneth Andersen, Fred and Bruce Stahmer. A damsel is taken by Valerie Gressen. The primary department, under the leadership of Mrs. T. R. Birkhead will sing between the scenes.

METHODISTS TO HAVE CHRISTMAS EVE WORSHIP SERVICE

A candlelight Christmas Eve service will be held in the Methodist church on Friday evening at 11:30 o'clock. The Christmas worship service, the first to be held in the local church, will conclude shortly after midnight. It will be conducted by the Rev. Clinton Alton of Evanston, and the Rev. G. Richard Tuttle, the minister.

Preceding the service members of the MYF groups will sing Christmas carols in the community. The young people will later return to the church for the service.

COLLEGE YOUTH TO CONDUCT METHODIST SERVICE SUNDAY

College and university young people home on vacation will conduct the 11 o'clock worship service at the Methodist church on Sunday morning. The service, which takes the theme, "By My Spirit," will be conducted by a number of young people. The occasion is the observance of Student Recognition Day throughout Methodism.

The robed choir under the direction of Charles B. Watson will sing two anthems in the service. Clarence Olson, a member of the choir, will sing a Christmas solo.

There will be a meeting of the Official Board at the close of the morning worship service.

ANTIOCH WOMAN'S CLUB HOSTESS TO GIRL SCOUTS

The Antioch Woman's club held its annual Christmas party at the Scout Home Monday afternoon with the Girl Scouts as their guests. A program of music and vocal selections was presented by Mrs. A. H. Kaufmann and her son, Richard. Each Girl Scout received a gift. Refreshments were served by Mrs. E. J. Hays and her hostess committee.

MRS. KRISCHKE HOSTESS TO CLUB MEMBERS

Mrs. Erich Krischke entertained the members of her pinocle club at her home Dec. 15, at the Ed. Smith resort, Grass Lake. Mrs. Anna Gross, Minnie Smith, Elizabeth Anzinger, Freida Rietzke and Vic. Nix were awarded card prizes. A delicious ham with all the trimmings was served by the hostess.

Mr. and Mrs. Arthur Lubkeman and sons and their cousin, Victor Lubkeman, left Wednesday for Melbourne, Florida, where they will spend the Christmas holidays with their grandparents, Mr. and Mrs. Peter Braeckman.

SALEM

James Huntoon is convalescing at his home at Brass Ball corners from injuries received recently when knocked down to the pavement by a passing car.

Mr. and Mrs. Ogden Fletcher and two sons, Donald and Ogden were week-end guests of Mrs. Janet Fletcher.

Mrs. David Elfers was hostess to the Neighbors Sewing club at her home on Tuesday afternoon. Lunch was served at the close of the afternoon to Meses. Arthur Bloss, Sr., Frank Dix, Charles Peterson, Howard Buening, Louis Slamar, Billie Dix and William Griffin. Christmas gifts were exchanged during the afternoon. The next meeting will be held at the home of Mrs. Arthur Bloss, Sr.

Mr. and Mrs. Gordon Dix and their two sons have taken up residence in the new house which is nearly completed near the parsonage.

Mr. and Mrs. David Elfers were in Kenosha on Sunday afternoon and called on Mr. and Mrs. Herbert Heine. On Friday evening they attended the bazaar held at Trevor community center. Mrs. Elmer Fleming and son, Dean, were after-

noon callers at the Elfers home.

Mr. and Mrs. William Kavanaugh entertained at breakfast on Sunday morning in honor of Jerry and Tommy Fox, sons of Mr. and Mrs. Joseph Fox, who received their first Holy Communion at the Holy Name church, Wilmet.

Mr. and Mrs. Kenneth Brown and son, Billie, and Mr. and Mrs. Evan Hart of Milwaukee were here for the week-end with Mr. and Mrs. Fred Stephens. Messrs. Brown and Hart drove to Elkhorn Sunday, a dog, owned by the latter placing third in the field tryout for short-haired dogs.

Mrs. Louis Slamar and her brother, Donald Dix, were Chicago shoppers on Saturday.

Mrs. James Jepson observed her eightieth birthday anniversary on Tuesday, and in her honor her daughter, Mrs. Lyle Woodbury, entertained at dinner for her, another daughter, Mrs. Walter Irving and sons, Eugene and Robert of Kenosha were present.

Mrs. Janet Fletcher spent a few days recently with her uncle, John McKimrie and other relatives at Aurora, Ill.

Mrs. William Klumeyer has closed her house for the winter, and after a visit with her sons and their families in the vicinity of Footville, Wis., will go to Valparaiso, Ind.,

and later to the home of her daughter, Mrs. John Baird, at Flint, Mich. Miss Jennie Loeschner spent Monday in Chicago.

Mrs. Susan Manning, who spent the summer with her daughter, Mrs. C. V. Cook, at Brass Ball Corners, has gone to Kenosha for the winter with another daughter, Mrs. Richard Schnell.

Mr. and Mrs. Ray Patrick and son, Michael of Kenosha were Monday night visitors of the Byron Patricks.

Mr. and Mrs. Robert Patrick were in Milwaukee on Saturday to celebrate Mrs. Patrick's birthday. Mr. and Mrs. Stanley Stoxen of Bassett were Sunday night visitors of the Byron Patricks.

There was a large attendance at the Methodist church on Sunday

evening when all the members presented a pageant entitled "Why the Chimes Rang." Much credit is due to the teachers who coached the children for their part in the program. Over 95 pupils participated in the event. Services will be held at the Methodist church on Friday evening, Christmas Eve, at 11 p. m. Everyone is cordially invited to attend.

Master Frankie Slamar is a patient at Kenosha hospital. His parents, Mr. and Mrs. Louis Slamar, make daily visits to him at the hospital and are very pleased to report that he is making a satisfactory recovery.

Mrs. Arthur Cook has returned from St. Therese hospital, Waukegan, Ill., where she recently underwent an operation.

Mrs. Clarence King and Mrs. Arthur Schonscheck have returned from a two weeks trip through the south.

First Refrigerated Shipment

First shipment of fruit under refrigeration was made from Cobden to Chicago over the Illinois Central in 1888. It consisted of strawberries packed in large wooden chests, each fitted with a compartment for ice.

Grade Crossing Accidents

More highway railroad grade-crossing accidents take place on Saturdays than on any other day.

Plant a Tree

In 1874 an Illinois law was passed to encourage the planting of trees. It provides that county boards of supervisors may pay up to \$10 an acre for forest trees planted and adequately maintained for three years.

U. S. Survey Reveals Continued Prosperity For Farm Families

WASHINGTON.—The department of agriculture predicted continuing improvements for rural family living due to increased incomes of recent years.

Reporting for the first time on the outlook in different parts of the country, the department noted among farm families:

In the Midwest—Savings high, bonds not cashed generally; new auto purchases slow, enough liquid assets for home improvements.

In the South—A far greater variety of foods being consumed at the farm table than 12 years ago; also more prepared foods used.

In the West—Except for fruit raisers, incomes high, prospects for continuing high incomes good because of increasing population, home improvements widespread.

Ruth C. Freeman, University of Illinois specialist in home accounts, who made the Midwest study, said that rural family living has been "greatly enhanced" in recent years.

"The opportunity for choice in connection with family living purchases has given the homemaker a different outlook on life," she said.

"A feeling of security has been developed through the family's accumulated savings, payment of debts, and prospect of some stability of income through farm price supports."

In 1947 a typical farm family spent two and a half times as much as they did the year before on household equipment, the most commonly purchased items being vacuum cleaners, washing machines, stoves, refrigerators, and home freezer lockers.

If we print jokes, folks say we're silly. If we don't, they say we're too serious.

If we print original matter, they say we lack variety. If we publish things from other papers, we're too lazy to write.

If we stay on the job, we ought to be rustling news. If we're rustling news, we are not attending to business in the office.

If we don't print contributions, we don't show appreciation. If we do print them, the column is no good.

Like as not, some fellow will say we took this from an exchange. We did!

Crippled Fisherman Uses Cane to Land Big Catfish

NEBURG, IND.—John Stacer, Neburg justice of the peace, has a fish story with a new twist.

Stacer, who is crippled and walks with a cane, claims that he landed a 70-pound catfish in the Ohio river with the aid of his walking stick. He said he hooked the fish on a trotline but the hook snapped when he tried to land the fish with a gaff.

So Stacer grabbed his cane, put the crook in the fish's gills and jerked the big fish into his boat.

Bullets Fail to Irk Farmer Who Waits for News of Baby

BINGHAMTON, N. Y. — Randall Hitchcock of nearby Chenango Bridge was sitting in a hotel in Bogota, Columbia, as snipers' bullets whizzed around during the rioting there.

That was bad enough, but Hitchcock was even more worried about his wife back home. She was expecting a baby.

As the dismal hours passed, he heard sputterings from the small short-wave radio set he'd carried with him. "Randall Hitchcock, Randall Hitchcock," called a voice. "If you're listening, your wife has had a fine baby boy and you're a proud father. Mother and baby doing nicely."

The voice was that of Wolfe Wolfinger, an amateur radio operator at Hillcrest, near Hitchcock's home.

"It was the biggest moment of my life," said Hitchcock, despite the danger from the bullets and mobs of the revolution.

'Worst' Reckless Driver Ends Wild Spree in Jail Cell

WICHITA, KANS. — Fining the motorist \$600 and sentencing him to five months in jail, Judge Roy Rogers said the case was the "worst instance of reckless driving" ever brought to his attention.

Joseph D. Rosario Jr., 30, drew the penalties for:

Speeding 80 miles an hour at night through heavy downtown traffic in a 20-mile zone; running 12 traffic lights; driving without a license; reckless driving; driving without lights; driving on the wrong side of the street; possessing liquor in violation of Kansas dry laws and resisting arrest.

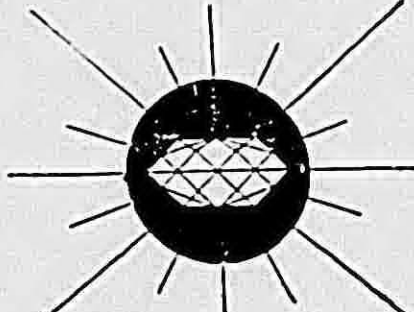

The wild chase, with two motorcycle officers in pursuit, ended with Rosario's car smashing to a stop in a clump of shrubbery. He wasn't hurt.

Auto Gadget Saves Brakes

A new electric gadget for the automobile is a dashboard signal light designed to prevent wear and tear on brakes. When the car's ignition is turned on the light goes on, if the hand-brake is set. It stays on until the brake is released.
